

We're making it easier... to get your prescriptions!

You now have a new way to get your prescriptions! DSHS Medical Assistance has teamed with Medco Health to fill prescriptions by mail. You can go to a pharmacy ... or you can have your prescriptions or refills mailed to you! It's your choice. And, there is no charge for this new service!

If you are interested and want to know more, talk with your doctor. Your doctor will help you decide what is best for you. If you have questions about how this new service works, call Medical Assistance at 1-800-562-3022.

Note: This service is *not* for those clients who have managed care and get their healthcare through a health plan.
